Summer Reading Challenge

Box Tops for Education

Box Tops for Education has been around for 20 years as another way to earn money for schools. The program has given almost a billion dollars to schools. In 2019 the program evolved to the digital world. How this program works is by buying participating products at grocery stores. Downloading the BTFE App. Scan your receipt within 14 days of purchase and money is then added to the schools earnings. Check BTFE.com for more information. If you have box tops at home we will be collecting those soon. Keep Saving!
