Online Learning FUN!

We understand the challenges that every family is facing. From making your kids get dressed to sit in front of a computer, to technical issues. We are going through them too. If your student is struggling to stay focused on Zoom here are some ideas that might help. Have them go outside and let the sunshine hit their face. Have them work from an outdoor space. Stand up for a minute while the teacher is reading a book. Make sure their work space is as stress free as possible. Last but certainly not least, have them smile. A smile a day can go a long way.

2020/2021 Student Council

Student council elections are held every year for 3rd-5th graders. All nominations are due to Mrs. Craig by Tuesday September 29th. This year all posters and speeches will be done virtually. A link to a slideshow will be provided once nominations are done. Each candidate will be allowed to add 1-3 slides on the slideshow. Candidates will prepare a 1-2 minute speech they will need to prepare and practice at home. All candidates will give their speeches via zoom on election day Friday, October 9th. Please email Shannon Craig with any questions sday2@sandi.net
